THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON, ALBERTA

27 JULY 1978

EMERGENCY HOUSING REQUIRED

Due to the Commonwealth Games there will be a shortage of temporary housing for new students arriving in the first few weeks of August. The International Student Office is attempting to establish a list of staff and students who would be willing to open their homes to provide students (in some cases a spouse and children might also be involved) with a place to stay until permanent housing is obtained. This type of accommodation would be utilized only after all other avenues have been exhausted and would probably only apply in the crucial period from 3 August to 21 August. Because of the nature of the situation, it is possible that very little notice would be given to the "host family". Those people who are interested should contact the International Student Office, 225 Athabasca Hall, telephone 432-4145.

CHANGES IN IMMIGRATION ACT EFFECT FOREIGN STUDENTS

Changes in the Immigration Act affecting foreign students became law in April of this year. Although the new regulations have recently received publicity, Ruth Groberman, Director of the International Student Office, has kept students informed of the situation both before and after the new regulations became effective. The changes will undoubtedly have more effect on those foreign students who are in the process of enrolling rather than those who are already studying at the University.

The major change in the Act is that students are no longer able to enter the country as tourists and later change their status to that of a student. The time element involved in gathering all of the necessary documentation and applying for the student visa before coming to Canada could mean that the student's registration at a Canadian university could be delayed in some cases up to a year. For example, if a student's final grades are not available until June, the university may not be able to issue a letter of acceptance in time for the student to obtain a visa before Fall registration. The actual effect of this new regulation, however, will not be certain until this September when the experience of new registrants is assessed.

Other changes in the Act include the provision that a foreign student wishing to

Established after many years of discussion and planning the Mobile Dental Unit, operated by the University of Alberta under the direction of S.G. Geldart, Acting Chairman of the Community Dentistry and Manpower Development, has been providing a much needed service to the residents of northern Alberta. The Mobile Dental Unit is currently located in Manning, where it will stay until September 1979. In the past the Unit has been situated in such places as High Level and Slave Lake. Wherever the Unit has been located, response from the local residents has been most favorable. Before the Mobile Unit arrived in High Level, for example, it had been estimated that approximately 90 percent of the area inhabitants had never been exposed to professional dental care. In addition to providing much needed services to our northern residents, the Mobile Dental Unit offers valuable experience in a working environment to budding clinicians from this University. These third and fourth year students, together with their colleagues from the University's innovative Dental Auxiliary Utilization Clinic (DAU), practise the sophisticated techniques of "four-handed sit-down" dentistry. In a very real sense, these programs are ideal, for they combine teaching and learning with service of a practical value to the community.

change his or her institution or program must have that change approved by an Immigration Officer. Also, depending upon the student's country of origin, there are new regulations regarding the re-validation of visas for those who leave Canada for a short period

of time, for example, to visit their homes over the summer.

When contacted about the new regulations, local Immigration Officer Bill Clark claimed that because of the good relationship between the Immigration Office and the

University's International Student Office, he was confident that all those people affected by the Immigration Act were fully aware of the situation. He did stress, however, that foreign students should remember that the renewal of visas should be undertaken before their expiration date. Students who allow their visas to expire may face serious consequences. Further information regarding the changes in the Act may be obtained from the Edmonton Immigration Office or by contacting the International Student Office, telephone 432-4145.

GENERAL FACULTIES COUNCIL EXECUTIVE COMMITTEE

The regular meeting of the GFC Executive Committee was held on Monday, 17 July. The following matters were among those considered.

Writing Competence Committee Report

The Executive Committee received the report of the GFC Writing Competence Committee (WCC).

The intention of the Writing Competence Committee in making this report was to discharge its "initial task" of implementing recommendations of the ad hoc Committee to Investigate Undergraduate Writing Skills referred to it by GFC. By so doing, the Committee hopes to "reduce the number of bonds which tie" it to the ad hoc Committee's report and permit it to explore new areas. The Committee stated its intention "to attend to the state of reading and writing at the University and to bring about improvements among students already enrolled," and recommended that "in future

the Writing Competence Committee should turn its exclusive attention to the task of encouraging the continual development of writing and reading competence among students at the University."

In response to the ad hoc Committee's recommendation A3, that the Department of English be urged to offer a course in English composition and rhetoric primarily but not exclusively for students in the Faculty of Education, the WCC recommended: **I** "that the Committee (WCC), and the Departments of English and Secondary Education, continue to urge the Deans of Arts and Education to seek means to implement Recommendation A3 making use, if necessary, of the contingency funds the Deans have at their disposal; **II** "that, in view of the fact that at least one full-time position in the English Department will definitely become available in 1979-80, the appropriate Chairman and Deans be urged to use such another vacancy in Education, in conjunction with that in English, to make the joint appointment mentioned in Recommendation A3; and **III** "that, in the event that the two recommendations above be impossible to implement, a sessional position from each Faculty should be made available for the joint appointment."

Dean Baldwin of the Faculty of Arts, a member of GFC Executive, expressed concern about the Committee's having recommended how deans might use their contingency funds. President Gunning commented that the WCC's responsibility was to make recommendations on academic policy and leave the practical implementation to the deans. The Executive decided that these three recommendations be referred to Deans' Council.

With reference to the ad hoc Committee's recommendation that there be an entrance examination to demonstrate competence in English, the WCC recommended "that development of a writing and reading test for University students should be accomplished in three phases." The phases would consist of a pilot project in which a sampling of first-year students would be tested, an expanded pilot project in which the test would be administered to all matriculating students, and finally consideration of the test for possible implementation as an entrance requirement for the University. J.G. Marino, Chairman of the WCC, mentioned that the purpose of the entrance examination in reading and writing would be for remediation, that the first phase was intended as a feasibility study and would have the advantage for students of giving them a profile of their strengths and weaknesses.

GFC Executive referred this recommendation

to Institutional Research and Planning for an indication of the cost of proceeding with phase I.

The WCC further recommended, for purposes of information dissemination, **I** "that [the] WCC identify one agency of information and advice (this would not necessarily require the establishment of a new or separate office); **II** "that the WCC direct that agency to advertise the service to the student body; and **III** "that the agency prepare, through the cooperation of other agencies currently providing assistance, a series of handouts and workshops designed to overcome specific deficiencies."

Dr. Marino mentioned that since the Director of Student Affairs was ex officio a member of the WCC, these recommendations had already been discussed with Student Affairs and that Student Affairs was the agency referred to.

The Executive Committee felt that is was within the purview of the WCC to act on its own on these three recommendations and to work directly with the Dean of Students on them.

With reference to students for whom English is not their mother tongue, the WCC recommended:

I "that those (and only those) students who exhibit a minor deficiency in English on the Test of English as a Foreign Language (TOEFL) be required to take appropriate English language courses in the Faculty of Extension on a fee-remission basis; **II** "that, on the basis of item III, the University must retain control of standards and that for this group of students no course other than those sponsored by the University be eligible for fee-remission; **III** "that the English Language Service *not* be re-established because of the cost of administration and staffing; and **IV** "that the WCC be directed to investigate the cost-effectiveness of recommendation I and the functional implications of II and III."

GFC Executive agreed that the WCC should proceed with IV, working with Institutional Research and Planning, to determine the cost effectiveness and functional implications of the other three recommendations and to report back. The Executive also agreed that Faculties should soon decide scores that will be acceptable to them on the TOEFL examination, to permit a definition of "minor deficiency."

The Executive also referred to the WCC its recommendation that it "routinely remind all instructors and students of the policy contained in C4" of the ad hoc Committee's recommendations. This recommendation of the ad hoc Committee was approved in principle by General Faculties Council; it

FOLIO

Inquiries concerning the placement of Notices and Advertisements in *Folio* and all other correspondence with the Editor should be addressed to:

Folio,
Office of Community Relations
423 Athabasca Hall,
University of Alberta

Folio is published for the staff and other interested persons by the Office of Community Relations, The University of Alberta, Edmonton, Alberta. Copyright 1978.

suggested that "all instructors of University undergraduate courses provide that suitable portions of course testing or other course work should be in the form of written essay responses and emphasize to students that competence in written work is integral to competence in a subject and will constitute part of the basis on which a student's course grade is determined."

The Executive Committee felt that so reminding instructors was within the terms of reference of the WCC.

The WCC also recommended that the Class Record Book include the sentence "All instructors should make clear at the outset of each course their expectations in regard to the standard and importance of writing in assignments and examinations." GFC Executive voted to forward this recommendation to GFC with its endorsement.

The full report will be considered by General Faculties Council in the fall.

University Professorships

The report of the GFC ad hoc Committee on University Professorships, finished in February, 1977, and passed on to the Deans' Council for comment, was reconsidered. L.C. Green, University Professor in Political Science and a member of the ad hoc Committee, was present.

GFC Executive voted to refer the report to General Faculties Council and indicate its endorsement for continuing the position of University Professor. The ad hoc Committee's report had favored preserving the institution of University Professor, "with a view to acknowledging academic achievement and enhancing the reputation of the University."

Delegation of Authority by GFC

The GFC Executive Committee approved, on behalf of General Faculties Council (which does not meet during July and August), the following recommendation of the Academic Development Committee: "that for the next two years any changes in existing programs be brought to the attention of the Vice-President (Academic) who will discuss them with the appropriate Dean to establish whether they need to be considered at levels external to the Faculty concerned."

Citizenship/Residence Guidelines

The Executive voted to refer to General Faculties Council, with its endorsement, the following recommendation of the Board Academic Concerns Committee: "that the recently re-endorsed and amended guidelines [on citizenship and residence requirements for quota faculties] be deleted and the following statement substituted: 'In a quota degree program 5 percent of the places shall be available to foreign students and 10 percent to non-Alberta Canadians providing that no non-resident of Alberta is admitted

who is less qualified than any Alberta resident who is denied admission.' "

Selection and Review Procedures for Deans and Department Chairmen

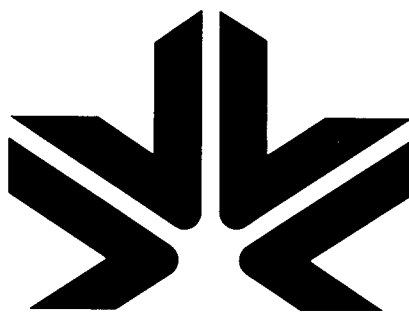

GFC Executive considered several editorial revisions to the Selection and Review Procedures for Deans and Department Chairmen, as proposed by the Board's Academic Concerns Committee. Acting on Council's behalf, the Executive Committee approved the revisions, so that they could be referred to the Board for its approval.

University Priorities Committee Report

W.F. Allen, Chairman of the University Priorities Committee, presented the highlights of the report to the GFC Executive Committee, answering various questions raised by members during the presentation.

To aid both itself and General Faculties Council in further discussion of the report, the Executive agreed to have the report referred to all deans, to the Academic Development Committee, to the University Planning Committee, to the Association of the Academic Staff, to the Students' Union, to the Graduate Students' Association, to the Non-Academic Staff Association, and to the Chairmen's Council for (a) their views on the report as a whole and (b) their views of specific recommendations. It was noted that many of these groups had been asked for their comments by the Board of Governors; however, in this instance they were being asked to assist General Faculties Council in its discussion of the report.

Dr. Allen expressed the wish that General Faculties Council would be able to consider the report in time to make recommendations to the Board of Governors by November. *(The text of the report of the University Priorities Committee was printed in the 29 June 1978 edition of Folio. Complete copies of the report are also available for reading in the deans' offices.)*

COMMONWEALTH CONFERENCE ON SPORT, PHYSICAL EDUCATION AND RECREATION

"Participation for all in sport, physical education, and recreation" is the theme of

the Sixth Commonwealth Conference on Sport, Physical Education and Recreation, which is being held at the Macdonald Hotel, 31 July to 2 August.

Since the 1954 British Empire and Commonwealth Games in Vancouver, conferences immediately prior to the Games competition have brought people together to discuss issues and exchange ideas in the area of sport, physical education, and recreation. For the participants from countries throughout the Commonwealth, the conferences have presented an opportunity for the renewal of old friendships and the establishment of new ones; just as the Games themselves have become known as the "Friendly Games" the preceding conferences have established themselves as the "Friendly Conferences".

This year, about 500 people from the Commonwealth and beyond will take part in the Sixth Commonwealth Conference on Sport, Physical Education and Recreation organized jointly by the University's Faculty of Physical Education and Recreation and the Canadian Association of Health, Physical Education and Recreation (CAHPER). The conference chairman is H.J. McLachlin, Dean of the Faculty of Physical Education and Recreation.

The conference theme of maximum participation is to be developed during the conference through focus on five areas of broad interest: administration, coaching, females in sport, professional preparation, and adapted programs (programs for special groups such as the disabled and the elderly).

Public participation in the conference is being encouraged by a public forum on fitness scheduled for the Plaza Hotel Ballroom, beginning at 8 p.m. Monday, 31 July. Keynote speaker will be Russ Kisby, president of Participation, who is to set the stage for the forum with a presentation titled "Fitness in Canada: Boom or Bust?" Keynote speaker as the opening of the conference will be Maury Van Vliet, President of the XI Commonwealth Games Foundation. Delegates at the Conference are to be taken on a tour of the XI Games venues during their stay in Edmonton.

QUEEN TO VISIT GAMES FACILITIES ON CAMPUS

As part of her tour of the various facilities for the XI Commonwealth Games, Her Majesty Queen Elizabeth II will be visiting the Physical Education and Recreation Centre and the Athletes' Village in Lister Hall on Friday, 4 August.

It should be noted that this is a visit to Games facilities that are on University property, and not an official visit to the University itself. Although the Dean of the Faculty of Physical Education and Recreation,

H.J. McLachlin, may be on hand to answer questions about the facilities, there is no official involvement planned for the University.

An itinerary of the Queen's visit to the campus area will be published in next week's *Folio*.

NOTICES

Because of the closure of the University Buildings on 7 August, notices for the 10 August edition of Folio must reach the editor by 9 a.m. on Wednesday, 2 August. Written notification is necessary.

Catholic Chaplaincy Centre

During the period of the Commonwealth Games, the Catholic Chaplains will be operating a Coffee House Drop In at the Newman Centre below the Chapel in St. Joseph's College. The Drop In is open to all competitors and staff from 7:30 p.m. to 11 p.m.

Until 13 August, Masses will be conducted at the Chapel at the following times: on Sunday at 9:30 a.m., 11 a.m., 12:30 p.m., 4:30 p.m., and 8 p.m.; on Saturday at 4:30 p.m., and 8 p.m.; and daily at 7:30 a.m., 12:30 p.m. and 4:30 p.m. Beginning with the 4:30 p.m. Mass on Saturday, all Saturday and Sunday Masses will suffice for the weekend obligation.

Veterans Race

In the spirit of competition engendered by the XI Commonwealth Games, the Chasquis Track and Field Club, a University-based organization, is sponsoring a veteran's race Saturday, 5 August, at Ellerslie.

The race, open to men forty years of age and over and women thirty-five years of age and over, will start at 4 p.m. at the Edmonton Rugby Union Park, Ellerslie. To reach the park, drive south from Edmonton on Highway 2 to the second set of traffic lights at the grain elevators and then drive west for approximately 1.6 km.

There will be a 10 000 m race for men while the women runners will compete over 5 000 m on the same course. The entry fee of \$5 includes two tickets to a barbecue which will be served following the race. Entry forms can be obtained from David Norwood, Office of the Vice-President (Finance and Administration), Room 3-24 University Hall, University of Alberta, Edmonton, T6G 2J9. The deadline for entries is 3 August.

Red Cross Mobile Clinic on Campus

The Canadian Red Cross and the Canadian Hemophilia Society have designated the week of the 31 July to 5 August as New Donor Week. Tuesday, 1 August, is also Hemophilia

Gail Brown has been appointed Director of Housing and Food Services effective 28 July 1978. Ms. Brown, a native of Ottawa, has almost twenty years administrative experience in the field of recreation, including ten years as Director of Recreation for the Township of Nepean, Ontario. As Director, she was responsible for the initiation and development of recreation policies and programs for more than 80,000 people. Since 1976, Ms. Brown has been a graduate student at Carleton University and in June of this year she received her Master's Degree in Public Administration from that institution.

Day, on which a special clinic will be held at Red Cross House, 9931 106 Street. There will also be a mobile clinic on campus for two days during New Donor Week. The clinic will be held in 142 Students' Union Building from 10:30 a.m. to 4 p.m. on Wednesday and Thursday.

In the summer months there is a chronic shortage of blood for a number of reasons. Regular donors are often out of town, several mobile clinic locations are closed during the summer, and other mobiles have a low attendance. Also there are fewer collection days in the summer due to the disproportionate number of official holidays. Staff and students of the University are therefore urged to attend the campus clinic.

Meet New Students

The International Student Officer requires volunteers to pick up newly arriving international students at the airport. Mileage will be paid from your home, to the airport, and back to your place of residence. For further information contact the International Student Office, 225 Athabasca Hall, telephone 432-4145.

1978 Alberta Achievement Awards

Nominations are now being accepted for the 1978 Alberta Achievement Awards. Individuals who have made an outstanding contribution in sports, the arts, community service, science, or other fields are eligible for an award. Nomination forms are available from Alberta Culture, Alberta Achievement Awards Program, Floor 14, CN Tower, Edmonton, T5J 0K5. The last date for nominations is 2 September.

Fall Kindergarten Program

The Department of Elementary Education Kindergarten will be accepting applications for their fall program. For further information, telephone Carol Deutscher at 432-4604 between noon and 4:30 p.m. or 437-2882 in the evenings.

THIS WEEK AND NEXT

Because of the closure of the University Buildings on 7 August, listings for the 10 August edition of Folio must reach the editor by 9 a.m. on Wednesday, 2 August. Written notification is necessary.

27 JULY, THURSDAY

Citadel/National Film Theatre

7:30 p.m. *The Song Remains The Same* (United States, 1976). Directed by P. Clifton and starring Led Zeppelin.
9:45 p.m. *Jimi Hendrix* (United States, 1973). A documentary directed by Joe Boyd and John Head. Zeidler Hall. For ticket information contact the Citadel Box Office, telephone 425-1820.

Cinematheque 16

7:30 p.m. *Walkabout* (Great Britain/Australia, 1971). Directed by Nicholas Roeg and starring Jenny Agutter and Lucien John. Downstairs, Edmonton Art Gallery. Admission is \$2 for members and \$2.50 for non-members. Tickets available at the door.

POSITIONS VACANT

POSITIONS IN CANADA

Research Officer

Reporting to the Director of the International Development Office, the Research Officer will carry out research on international development agencies and on the higher education needs of developing countries and will assist in identifying resources in Canadian universities which could be supportive of CIDA and IDRC programs. Candidates should have a university degree. Some experience in university administration or in the international development field would be an asset. Fluency in both official languages is required. Salary is from \$15,000 to \$18,000 per annum.

Please forward a résumé before 31 July to:

Director of Administration, Association of Universities and Colleges of Canada, 151 Slater Street, Ottawa, K1P 5N1.

Liaison Officer

Reporting to the Director of the International Development Office, the Liaison Officer will see to the proper establishment of the Office and will ensure that the liaison networks between the universities and CIDA and IDRC are effective. Applicants should have a university degree, be knowledgeable of the administration of universities, and have some experience in the international development field. Fluency in both official languages is required. The position should be of interest to individuals presently earning in the range of \$20,000 per annum.

Please forward a résumé before 31 July to:
Director of Administration, Association of
Universities and Colleges of Canada, 151 Slater
Street, Ottawa, K1P 5N1

POSITIONS ON CAMPUS

Academic Positions

Administrative Officer

Duties: include general supervision of the staff employed in the Registrar's Office Access Centre for prospective students with responsibility for admissions advising; coordination of liaison programs with secondary schools and the public; information dissemination through publications, audiovisual materials and in-person contacts; preparation of statistical reports and assistance to the Assistant Registrar and University Admissions Officer; the successful applicant must also have sufficient flexibility to participate in off-campus visitations mainly concentrated in February, March and April.

Qualifications: Recent University graduate with public speaking ability and valid driver's license; previous experience in University/College admissions or liaison and familiarity with the Alberta educational system would be helpful; experience in or knowledge of the preparation and production of printed information and audio-visual materials desirable.

Salary: commensurate with experience and qualifications.

Apply in detailed résumé before 4 August 1978 to:
W.A.D. Burns

Assistant Registrar and Admissions Officer
Admissions Policy, Evaluation and Liaison Division
Office of the Registrar
The University of Alberta
Edmonton, Alberta
T6G 2E1

Part Time Academic Position

Assistant to the Dean of Students

The Assistant to the Dean of Students resides in Henday Hall, a 600-student men's residence located within the Lister Complex. The Assistant to the Dean represents the University administration in the conduct of student affairs in the residence, serving as an adviser to the student government and working in close coordination with the Department of Housing and Food Services and the various student services on campus. The candidate should have experience in student affairs, counselling, or University administration.

Résumé and *curriculum vitae* should be sent to: Assistant to the Dean of Students, 051 MacKenzie Hall, Lister Complex, University of Alberta, Edmonton, T6G 2H6. Further information may be obtained by calling 433-4719 or 432-2968.
